

Madison Blues Society Announces our 2021 Blues Calendar Is Now Available

Our 2021 Blues Calendar features 15 Madison area musicians.

What will your 2021 calendar be? Kittens, sunsets, beaches or a fine tribute to our Madison area original blues men and blues women?

Tribute is defined as something “intended to show gratitude, respect or admiration.” Yes, that was the intention of our Madison Blues Society's 2021 calendar.

Proceeds from calendar sales will be reinvested locally to further support blues awareness throughout our area.
